**Donate Your Used or
Junk Vehicles to
PAVE**

Cash for Car's program will turn your used or junk vehicle into a cash contribution for PAVE. The process is simple and convenient. Go to www.cashforcarservices.com and donate your old car, truck, SUV, motor home, trailer, boat, motorcycle or other recreational vehicle (running or not). Just click on "Donation" and fill out the form with Washington PAVE as the charity. PAVE will receive \$125 for every donated vehicle. It's a tax deductible donation for you and a great way to give much needed funds to PAVE.
