

YOU ARE THE EXPERT 2008

The **“You Are The Expert 2008 – Celebrating Families and Professionals: The Heart of Success”** Conference has been developed to address issues identified by families who have children with disabilities. The conference will have 200 participants from across Washington State. The attendees will be representative of all walks of life and experience levels. They will be parents of children of all ages and with all types of disabilities. Professionals from the many fields working with individuals with disabilities will also be present.

The focus is on providing families and professionals with information that will help them to develop the skills and knowledge to effectively partner with each other to plan for children. Conference topics will include presentations about early intervention services for infants and toddlers, educational strategies, transition from school to adult services, parent/professional partnerships, positive intervention strategies, emotional support, sexuality, and other issues of interest.

This innovative and exciting conference will take place Friday, April 4, and Saturday, April 5, 2008. Exhibits will be open both days.
